

Machine sewing binding to quilt

Use a walking foot to sew binding to front of quilt with a $\frac{1}{4}$ inch seam if you have $2\frac{1}{2}$ inch or small binding. If you are using 3 inch binding sew with a $\frac{3}{8}$ inch seam.

Press binding away from quilt top. Fold over edge and sew from front with a walking foot using a serpentine stitch. Sew $\frac{1}{2}$ on binding and $\frac{1}{2}$ on quilt.
