

Class Title: Free Motion Quilt Lab

Supplies:

- A sewing machine in good working order capable of dropping the feed dogs
(please be sure to bring the free motion foot and the manual for your machine)
- A package of 80/12 needles and/or 90/14 needles
- Small scissors you can get up close to your project surface with
- 50 wt. cotton thread in a contrasting color to the sample practice sandwiches
- A washout marking pen
- Chalk Marking tool
- Any rulers shapes or templates you think will help you with your design choices.
- Several sheets of paper or a notebook
- 1 regular lead pencil, #2 is fine (mechanical pencils are great for this class)
- ½ yard of freezer paper
- Paper scissors

Fabric and Batting:

- A quilt top you would like to develop quilting for (or a printed photo)
- At least three 16" Fabric and Batting Sandwiches (Please bring more if you work quickly.)
(Choose low loft batting for this starter class. Thin cotton battings are best to learn with)
- Optional items – Quilting gloves, extra threads, examples of quilting you like
