

Southwest or Gristmill

This is a two-part class.

First half of the day will be dedicated to learning the sewing technique. There is a choice of two designs: Southwest Splendor or Old Gristmill. **Size: 17" X 19"**

Material Fee: \$58.00, payable in class.

Includes pattern and fabric for top, complete with borders and binding and all design supplies.

When signing up, please indicate design choice.

Cash preferred for Material fee. I will have credit card capabilities and will have change for any other purchases.

For the First Part of Class:

- Sewing machine with light and medium gray threads, if you have a single hole needle plate, bring it, but don't go out and buy one
- Personal sewing supplies - i.e. pins, scissors (both fabric and paper) seam ripper
- Iron (travel irons works great for this, **not** the tiny curling iron type), ironing surface (small table top ironing boards work well)
- Plastic tray - one that has a small lip on it (i.e. plastic lid from a shoe box or sweater box, not a huge one). This is for laying out and organizing the individual pieces.
- zip lock baggies - around ten should do - this is to separate the individual sections

Examples of the type of Plastic Tray: not deep

For the Second Part of Class:

No additional supplies needed. All design supplies are included in the Material Fee.
