

**QUILT PIECING
FUNDAMENTALS
CLASS DESCRIPTION**

In this class, we will cover the solid Basic Fundamentals of piecing, “Cut, Sew, Press.” These fundamentals are what you need to know to get good results with your quilt piecing.

We will cover information on fabrics, tools, and techniques.

This class is perfect for the beginning quilter but also anyone who wants to improve their skills to get better results and enjoy the art of quilting more.

We will also cover ways to do half-square triangles and how to keep those points from being cut off.

What if things don't come out perfect? We will also cover how to deal with that.
