

Workshop: 03-Basket Case

Supply List:

- *Sewing Machine and basic sewing tools*

It's always best to test your machine before class. Bring your favorite 1/4" foot for piecing and your FMQ/Darning foot. Basic Sewing tools include the items you like to have when sewing... a seam ripper? LOL, stiletto, marking tools, pencils, spare bobbins, scissors, rulers, pins, spare sewing machine needles (70 sharps are my favorite) - bring anything portable that makes you happy.

- *Personal cutting mat and your favorite, sharp rotary cutter*

Your mat should be large enough to work with 12" blocks and ruler for cutting on your personal mat

- *June Tailor® Ruler #JT-796*

Square up your blocks easily by using the "shape-cut ruler" I use this ruler in almost all my quilts, let me show you how spectacular it is and how perfect it can make your work.

- *Thread*

Bring a neutral cotton thread for piecing and top stitch and then bring a 50W cotton in white or cream, and another 50W cotton in black for the FMQ we will use to attach flowers to your baskets. I sell Aurifil thread and you can order from my store.

- *FABRICS: choose an assortment for your quilt. You can make the whole quilt scrappy or choose a color scheme*

- *OPTIONAL: fussy cut floral motifs for your baskets*

As with my Garden Party Workshop, we can fussy cut flowers and FMQ/appliqué these to our baskets to add excitement and personality No fusibles or glues please

- *Personal iron (plugs permitting)*
