

WINDMILL BAGS

All usual sewing equipment, sewing machine, rotary cutter, thread, etc.

Materials for each bag:

Tiny size: (nice for little hands)

- (4) 3 1/2" x 9" rectangles (outer bag, works best with at least two different, complementary fabrics)
 - (4) 3 1/2" x 9" rectangles (for lining, can be the same fabric, or complementary)
 - (4) 3 1/2" x 9" fusible stabilizer (such as Pellon 908, or other feather-weight stabilizer)
 - (2) 4 1/2" x 14" rectangles for handles – can be same fabric as lining, or other complementary fabric
- Thread to match or accent outer fabric

Mini size:

- (4) 4" x 12" rectangles (outer bag, works best with at least two different, complementary fabrics)
 - (4) 4" x 12" rectangles (for lining, can be the same fabric, or complementary)
 - (4) 4" x 12" fusible stabilizer (such as Pellon 911, or other light-weight stabilizer)
 - (2) 4 1/2" x 14" rectangles for handles – can be same fabric as lining, or other complementary fabric
- Thread to match or accent outer fabric

Medium Size: (works nicely for groceries)

- (4) 4 1/2" x 13" rectangles (outer bag, works best with at least two different, complementary fabrics)
 - (4) 4 1/2" x 13" rectangles (for lining, can be the same fabric, or complementary)
 - (4) 4 1/2" x 13" fusible stabilizer (such as Pellon 931TD, or other mid-weight stabilizer)
 - (2) 4 1/2" x 16" rectangles for handles – can be same fabric as lining, or other complementary fabric
- Thread to match or accent outer fabric

Large:

- (4) 6" x 20" rectangles (outer bag, works best with at least two different, complementary fabrics)
 - (4) 6" x 20" rectangles (for lining, can be the same fabric, or complementary)
 - (4) 6" x 20" fusible stabilizer (such as Pellon 931TD, or other mid-weight stabilizer)
 - (2) 4 1/2" x 22" rectangles for handles – can be same fabric as lining, or other complementary fabric
- Thread to match or accent outer fabric

Giant:

- (4) 8" x 26" rectangles (outer bag, works best with at least two different, complementary fabrics)
 - (4) 8" x 26" rectangles (for lining, can be the same fabric, or complementary)
 - (4) 8" x 26" fusible fleece
 - (2) 4 1/2" x 24" rectangles for handles – can be same fabric as lining, or other complementary fabric
- Thread to match or accent outer fabric
