## **MOUNTAIN TOP QUILTERS GUILD**

### **PRESIDENT'S MESSAGE**

Wow summer is moving by fast. Many of our members are traveling this time of year and we wish all safe travels. Just remember that when you return from a trip or hosting visiting family members that we at the MTQG are always like a family welcoming you back. The Guild offers so many opportunities for companionship with others that share common hobbies and activities. Whether it be a magazine from the our large library, discussing your block of the month, taking a class from one of our wonderful speakers, joining a mini group or volunteering at Community Quilts we all enjoy the company of others and sharing ideas. And MTQG certainly provides plenty of opportunities for everyone.

*The MTQG Board*

**Please leave the first two pews on the right available for our photographer and those giving reports during the guild meeting. Please reserve the last two rows for the display of Show and Tell quilts before refreshment time.**

## Block of the Month

*Gail Henry*

The block of the month this year is going to be the Wishes Quilt Along that was offered in 2015 by The Fat Quarter Shop. Each month I will have about 20 direction pages run off and some small slips with the online link. Here is the direct link:

<https://blog.fatquartershop.com/wishes-quilt-along.html>

We are asking that you make one block for yourself and one block to donate to the Guild so that we can use them to make community quilts. Contact Gail Henry if you have questions about the Block of the Month.

## Community Quilts

*Deb Mulcahy*

Community Quilts is a Service Project for Mountain Top Quilters. We meet the 4th Monday of each month for a workday. Finished quilts are distributed throughout our Community to over 27 non-profit organizations. These include, but not limited to Hospices, children adoptive services, family and women's shelters, hospitals, veteran's organizations and special needs. We are most grateful to Las Fuentes which allows us to use their community room for our monthly workday!

### Next workshop is August 27.

- 10:00 – 3:00 We are able to get into our room at Las Fuentes for Community Quilts by 9:30 a.m. to set up.

- Las Fuentes Resort Village- 1035 Scott Drive, Prescott
  - Bring your sewing machine, **your own sack lunch and beverage..**
  - Please park on the west side of the building. The garage door is unlocked 10:00-11:00. After that, enter at the main entrance and go downstairs.

**General meetings:** Look for the Community Quilts table! You can pick up quilts that need quilting, tying or binding. We also have quilt top kits available. Bring back your finished quilts and any **UPC codes from Hobbs batting**. We thank all of you for your help.

### Message from Board Member Susan Perry

I've recently been thinking quilting is about compassion. Think about why you make quilts and who you make them for. How many quilts go to people you love and/or care about? Look at all the quilts that Community Quilts sends out into our community to provide hugs and cheer each year. Art quilters create their best pieces when they are driven by compassion for their subject. If you collect quilts you want to know their history and understand what the quilter cared about.

I think all quilters have compassion in their core. Have you ever met a stranger you discovered is a quilter, maybe on a plane, and found that once you started talking about quilting it led to hearing about family and what you each care about? How about going to a quilt shop on your travels and what an instant connection you feel with the people you meet in the shop? Don't you love going to a quilt show and talking with strangers in front of a compelling quilt? We bond with each other over fabric, our passion for quilting and what drives us to make more quilts. We care about and feel compassion towards our fellow quilters.

I have a challenge for all of you MTQG members this year: show your compassion with one another and prove me right.
