## Mountain Top Quilters Guild

### President's Message

As we approach the holiday season, we are reminded of the many things we are grateful for...our family and friends, our health, our hobbies and passions, and perhaps best of all, we should be thankful for the talent of our fellow Quilters. Each month, I'm ever amazed at the display of creativity shared during the Show & Tell portion of our monthly meetings. The creativity inspires, the workmanship is admirable, and the imagination soars! Additionally, I am reminded that members of this guild are so generous in their giving - giving of time, giving of knowledge, and giving of spirit. So I am grateful once again to be a small part of this magnificent organization. And in this spirit, I wish you all a great and Happy Thanksgiving! Sew on, quilters!

*Diane Stockhaus*

The first pew on the right of the sanctuary is reserved for the Photographer, committee chairs, guests that are speaking, and board members. The second pew is reserved so that members who have difficulty hearing may sit closer.

Please reserve the last two rows for the display of Show and Tell quilts before refreshment time.

#### **Newsletter Note**

The **deadline** for the December **newsletter articles** is **Wednesday, December 4**, at noon.

#### **Programs**

*Donna Domino*

In the month of **OCTOBER**, our member, Kathleen Bond gave us a presentation of her beautiful hand work and how pieces come together on her wonderful quilts. She definitely has patience in developing patterns using English paper piecing as well as other methods that randomly come together!

**NOVEMBER**, brings us Reeze Hanson. Please check out her website: MorningGloryDesigns.com. She is a retired College Professor that has turned her knowledge and skill of dressmaking into quilting. She loves to do traditional and modern methods of one-patch quilting along with machine applique for the busy/working quilter. Building

color confidence and finding inspiration for quilts in a variety of places gives her the opportunity to share all aspects of her work with beginners as well as experienced quilters. Her class will be held on November 19th all day learning how to use her simple applique methods and sharing her tips and tricks! Her knowledge of EQ8 is well known in the area of computerized designing and she can answer questions about designing on the computer.

**DECEMBER** will be our Holiday Luncheon

**JANUARY**, 2020 we will have TOAD's reveal and Fun Day  
**FEBRUARY**, 2020 will have our Barn Painting classes with Susie Parron. This will be a painting class, not sewing.

**MARCH**, 2020 is Nancy Fuller presenting photos on fabric, then thread painting on them for enhancements.

**APRIL**, 2020 has Catherine Redford presenting a program about quilting with a walking foot.

**MAY**, 2020 quilt show prep.

**JUNE**, 2020 Quilt Show

## **Community Quilts**

*Deb Mulcahy*

Community Quilts is the main service project for our guild. We have donated over 700 quilts last year to various non-profit organizations in Yavapai County. These organizations include, but are not limited to, hospices, children's adoptive services, family and women's shelters, hospitals, the VA and veterans organizations, and also, many special local needs.

Las Fuentes allows us to use their space for our monthly workshops and to store our fabrics and supplies. We are so grateful to them for this privilege! Our next meeting is November 25 at Las Fuentes Resort Village 1035 Scott Dr, Prescott. Please park on the west side of their building and enter through the big garage door, unlocked from 9:00 to 10:30, after that you may need to enter through the front door and come

downstairs. We try to be set up by 9:30 and break up about 2:00.

Please bring your machine and supplies, a sack lunch and drink, and your happy smiling face and join us in November!

Look for our table at the monthly guild meetings and pick up a project, e.g. quilt kits, projects needing tying, binding or quilting, labels. Bring your finished tops and quilts by our table in the meeting room and collect your entry for our new monthly raffle ticket. Drawing will be done during our business meeting. ANY questions you have regarding WHO we donate to, WHAT we can use/need, and WHERE we meet can all be answered at our table in the meeting hall at our Guild meetings.

And, as always, please bring us your Hobbs UPC labels off the bags of batting, 2 UPC codes will give you one raffle ticket! Hobbs has a charity batting program that allows us to save a substantial amount of money by returning the UPC codes.

## Library

John Ramsey

Come check out our new and improved library lay-out. All items have been updated and organized to make it super simple to find that special book or CD/DVD you have been looking for! We have catalogued all items by Author, Title and Subject to make it easier to find inspiration and ideas for your next project. The catalogues have also been posted to our website - just click on Activities, then choose Library and you will find them there. Please remember that we are always looking for suggestions for new items to add to our library.

Please note that the Library will not be selling used magazines at the November meeting, but instead we will have the old books and items that were culled from the library's inventory set out for sale. Prices will be between \$1.00 and \$3.00 depending on the item. Magazine sales will resume again in January.

## YOUTH QUILTING PROGRAM

Diana Ramsey and Kathy Hofmeister

The Fall session for the youth quilting program is in full swing. We have 6 returning students and 2 new students. The returning students are enjoying learning how to make a small wall hanging using fusible applique techniques. Our beginning students are making a small throw quilt with 5" blocks. They are learning how to use their sewing machines, how to sew a straight and even seam, how to press their fabrics properly, and the safe use of rotary cutters. We have had a wonderful response from the members offering their time and talents teaching these super kids. We couldn't do this without all of your volunteering hearts! This session will wrap up just before Christmas and we will be excited to get going again in January.

## **ECHOS**

*Nancy Hall & Marie Willison*

Are you new to MTQG? Are you a member who's been with the organization for awhile, but you'd like to try something new? Are you interested in sharing ideas with members who share your passion? If you answered yes to any of these questions, come to the November ECHOS presentation immediately following the general meeting, to hear about MTQG mini groups. There just might be the perfect group for you. If you're interested in learning more about our mini groups, be sure to pick up a questionnaire at the membership desk when you sign in at the November meeting.

## **TOAD**

*Marcia McMullen--2020 TOAD Queen*

T.O.A.D. participants need to be working on their TOADs, because the January program is approaching.

Treasured Objects Not Done is the January Program where 20 quilters who brought two UFO's of theirs will show the progress that has been made. The guild voted (June

meeting) on which TOAD they should have finished to share in January. It should be a fun program.

Quilt inspiration by Jacquie Scuitto

I went to a quilt show and what did I see  
But more kinds of quilts than I thought could be;  
There were hugh ones and minis and lots in between  
Combinations of colors that I'd never seen.  
Some quilts were just triangles, others all squares.  
I saw appliqued angels, rabbits and bears.  
I saw fanciful shapes and stars all aglow,  
All the quilts with no ribbons and the grand Best of Show!  
I never have known such excitement before.  
When is the next show? I want to see more

Break for refreshments, returning at 11 for guest speaker, Kathleen Bond.
